## ABOUT US

---

Blueberry Art Design Services is an aspiring print house. We are specialized in Graphic Designing and all kind of Digital Indoor, Outdoor Printing & Signage Services.

Our turnkey approach takes your signage project from initial survey to concept and design, through to manufacturing, shipping and a successful installation and implementation.

We have a modern workshop and a team of sign professionals, technicians, designers and quality craftsmen who pride themselves on providing total solutions for almost any type of printing & signage project. Whether it's meeting a certain budget or working within a tight deadline, or both, Blueberry Advertising is committed to getting the job done RIGHT.

We are a full-service advertising and brand boutique, operating in Dubai since 2007. We exist to create engaging and effective brand experiences, driven by powerful ideas. We challenge the limits and go beyond traditional media to start a conversation with customers. Our expertise encompasses digital, print, outdoor, packaging, event management and more
